FORMALLY APPOINTED

26 June 2017

It is with pleasure that I announce that Heather Makris has been successful in winning the position of principal at Birdwood High School for the next 5 ½ years.

I would like to thank and congratulate Heather for the work that she has already led at the school and look forward to continuing to work with Heather in this capacity.

It is great to see the work that the school is undertaking in response to the One Year Return and I would like to thank the staff for their engagement in this process.
